

Outreach Activity Description Form for KKBJ AM, KKBJ FM and WBJI FM

Year 2009

Name of Activity: Job Fair Attendance

R.P. Broadcasting Management consisting of Daniel J. Voss, General Manager has attended two job fairs this year. According to guidelines established by the FCC, this qualifies as needed outreach initiatives for stations KKBJ AM, KKBJ FM, and WBJI FM.

One Job Fair was conducted by the Minnesota Workforce center, a state employment agency. R.P. Broadcasting stations also worked with the Workforce center in promoting the job fair. This job fair took place on 4-7-2009. The job fair was attended by hundreds of persons living throughout our listening area. Advertising for the job fair went out in local papers as well as four radio stations.

The second Job Fair was held at Bemidji State University on 3-25-09. Since the University has a Mass Communication Department with a Radio emphasis, this job fair allows prospective employers like R.P. Broadcasting the opportunity to speak with many students exploring the industry. The program also allows for the marketing of RP Broadcasting's Internship Program.

Based on attendance of these job fairs, R.P. Broadcasting, the employment unit for KKBJ AM, KKBJ FM, and WBJI FM is working to fulfill the outreach requirements for EEO compliance.

Respectfully,

Daniel J. Voss
General Manager
